

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 982**

February 17, 2009

**SUMMARY OF BILL:** Requires the Department of Education (DOE) to conduct a survey to determine what extended learning programs are being used by local education agencies (LEAs) or in communities to integrate classroom and non-classroom learning.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

Assumption:

- DOE has an existing subscription with a survey company called Survey Monkey that costs approximately \$300 per year. This subscription will be used to conduct a survey of LEAs and communities, therefore any increase in state expenditures is estimated to be not significant.
